It's just another day in the Transdimensional Authority, with teams of investigators doing what they do best (well, after breakdancing) – investigating. Bob Blunt is en route through a Dimensional Portal™ to Earth prime 4-7-5-0-0-7 dash iota to investigate cars exhibiting most uncarlike behaviours – ribbit! (Breaking all of the Transdimensional Authority rules...number 127, he is without his partner, 'Breakfront' Balboa, who is on leave after an unfortunate incident with the Vulvar Ambassador to Earth Prime and a staple gun). Beau Beaumont and Biff Buckley have already arrived on Earth Prime 5-9-2-7-7-1 dash theta to find themselves surrounded by machines whose only intention is to serve human masters – even if it kills them! Recently recruited TA investigator Noomi Rapier, with her partner 'Crash' Chumley, is on Earth Prime 6-4-7-5-0-6 dash theta where all matter at all levels of organisation (from sub-atomic particles to the universe itself) has become conscious. Meanwhile Barack Bowens and Blabber Begbie, taking the Dimensional DeLorean™ to Earth prime 4-6-3-0-2-9 dash omicron, face multiple apocalypses (already in progress), and Bertrand Blailock and Bao Bai-Leung are having trouble travelling to their intended destination: the home of the digital gods.

At first, they all appear to be looking for unauthorised and probably counterfeit Home Universe Generator™s, but could what's really happening be more sinister? (Yes. Yes, it could. We wouldn't want to leave you in suspense...)

Five collections of Alternate Reality News Service (ARNS) stories which originally appeared on the Web site have been self-published in print. Ira has also produced the pilot for a radio series based on stories from the first two ARNS books. Ira's Web Goddess tells him he should make more of the fact that he won the 2010 Jonathan Swift Satire Writing Contest. So, Ira won the 2010 Jonathan Swift Satire Writing Contest. In another life (but still within this incarnation) Ira has a Masters degree in Media Studies from The New School for Social Research which was conducted entirely online. He also has a PhD in Communications from McGill University. Ira taught New Media part-time at Ryerson University for five years. Whoever created the Karmic wheel has a lot to answer for...
