In *The Unwritten Words*, Christopher Nuttall's story-telling mastery weaves a new epic which follows on from his bestselling *Bookworm* series and is set in that same world. In *The Promised Lie*, the first book of the new series, five years have passed since the earth-shattering events of *Bookworm IV*.

The Golden City has fallen. The Grand Sorcerer and Court Wizards are dead. The Empire they ruled is nothing more than a memory, a golden age lost in the civil wars as kings and princes battle for supremacy. And only a handful of trained magicians remain alive.

Isabella Majuro, Lady Sorceress, is little more than a mercenary, fighting for money in a desperate bid to escape her past. But when Prince Reginald of Andalusia plots the invasion of the Summer Isle, Isabella finds herself dragged into a war against strange magics from before recorded history ...

... And an ancient mystery that may spell the end of the human race.

Praise for the award-winning *Bookworm* series:

Bookworm was winner of the GOLD Award in the Adult Fiction category of the 2013 Wishing Shelf Independent Book Awards.

"A thrilling adventure packed full of magic and memorable characters. Highly recommended." – *The Wishing Shelf Awards*

"one of the best authors of entertaining epic fantasy" – *Seregil of Rhiminee*

"the author has woven an exciting and entertaining story of secrets, dark history, books, werewolves and magic, and knows how to keep the story on the move" – *Risingshadow*

Christopher Nuttall has been planning sci-fi books since he learnt to read. Born and raised in Edinburgh, Chris created an alternate history website and eventually graduated to writing full-sized novels. Studying history independently allowed him to develop worlds that hung together and provided a base for storytelling. After graduating from university, Chris started writing full-time. As an indie author he has self-published a number of novels, but this is his tenth fantasy to be published by Elsewhen Press. The first instalment in a new series, *The Promised Lie* introduces us to new characters and new kingdoms in the world of his bestselling *Bookworm* series. Chris is currently living in Edinburgh with his wife, muse, and critic Aisha and their two sons.
