The Angels are back

The long hidden heart of the Twisted Curse had been found, concealed in a realm that no angel can enter, where magic runs wild and time is just another direction. The Twisted Curse is the key to ending the Eternity War and it can only be broken by someone willing to traverse the depths of Faerie.

Unfortunately, Mitch has other things on his mind. For reasons that currently escape him he's going to university, making regular trips to the Netherworld and hunting down a demon. The Academy might have prepared him for university but Netherworlds and demons were inexplicably left off the curriculum, not to mention curse breaking.

And then the Angels return, and this time they're hunting his best friend.

Instrument of Chaos is the conclusion of the *Symphony of the Cursed* trilogy, as Mitch, Amelie and Nikola arrive in Dunedin in New Zealand to start their first year at the University of Otago.

Rebecca started writing when she was supposed to be studying for her exams at Otago University but somehow passed anyway, eventually graduating with a decorative piece of paper. She moved to the UK to pursue a career in publishing and after a couple of mishaps ended up in Edinburgh and sold the *Symphony of the Cursed* to Elsewhen Press, which is not quite the career she had in mind. The career she did have in mind was along more editorial lines which is why she is now a volunteer at Inspired Quill and a freelance copy-editor for everyone else. She also has a blog which she infrequently remembers to update, where those mysterious things known as short stories can be found.
