*Glasgow 1893.*

**Wilton Hunt, a student, and Tam Foley, a laudanum-addicted pharmacist, are pursuing extra-curricular careers as body snatchers, or ‘resurrection men’, under cover of darkness.** They exhume a girl’s corpse, only for it to disappear while their backs are turned. Confused and in need of the money the body would have earned them, they investigate the corpse’s disappearance. They discover that bodies have started to turn up in the area with ripped-out throats and severe loss of blood, although not the one they lost. The police are being encouraged by powerful people to look the other way, and the deaths are going unreported by the press. As Hunt and Foley delve beneath the veneer of respectable society, they find themselves entangled in a dangerous underworld that is protected from scrutiny by the rich and powerful members of the elite but secretive Sooty Feathers Club.

**Meanwhile, a mysterious circus arrives in the middle of the night,** summoned as allies to help avenge a betrayal two centuries old...

*Resurrection Men* is the first book in David Craig’s *Sooty Feathers* series, a masterful gothic tale about a supernatural war for control of the Second City of the British Empire, and the struggle of flawed characters of uncertain virtue who try to avert it. It is set in a late 19th century Glasgow ruled by undead – from the private clubs, town houses and country manors of the privileged to the dung-choked wynds and overcrowded slums of the poor. Undead unrest, a fallen angel, and religious zealots intent on driving out the forces of evil, set the stage for a diabolical conflict of biblical proportions.

Aside from three months living on an oil tanker sailing back and forth between America and Africa, and two years living in a pub, David Craig grew up on the west coast of Scotland. He studied Software Engineering at university, but lost interest in the subject after (and admittedly prior to) graduation. He currently works as a resourcing administrator for a public service contact centre, and lives near Glasgow with his wife and two rabbits.

Being a published writer has been a life-long dream, and one he is delighted to finally realise with this, his debut novel. *Resurrection Men* is the first book in the *Sooty Feathers* series.
